

Leas Cliff Hall Parking

Sandgate Road (underground) car park

If you are driving down The Leas towards Leas Cliff Hall, take the first turning on the right after Leas Cliff Hall, drive past the short-stay outdoor parking and when you reach the roundabout take the third exit onto Sandgate.

The car park is almost immediately on the right and the entrance is under Waldorf Apartments (pictured below)

The pedestrian exit is on the other side of the car park and comes out immediately opposite the Leas Cliff Hall.

(See the small building with the same roof as Leas Cliff Hall in the picture below).
